

FROM SECRETARY'S DESK

Dear members,

The first quarter of year 2009 was very eventful. We conducted 10 class room training programs by eminent speakers covering a wide range of topics from Composites & Esthetics, by Dr. Milind Karmarkar & Dr. Pankaj Maheshwari, CAD CAM PFM crowns by Dr. Kartik Bhanushali, Bleaching Techniques by Dr. Pravin Salunke, and Endodontics by Dr. Shishir Singh: Dean of Terna Dental College, Prosthetics by Dr. Gaurang Mistry & Orthodontics by Dr. Gajanan Shanbhag. The attendance for the CTP was overwhelming & I appreciate the participants' inclination towards upgrading their knowledge & improving their skills for giving better treatment to their patients.

The picnic on 1st March at Silent Hill Resort, Manor was a very rejuvenating experience; members with their families enjoyed the water park, delicious food & games at the kutir, Dr. Milind Karmarkar, who whole heartedly accepted our invitation, joined us in the pool & sang old melodies during Antakshari.

IDAMWSB created history not once but twice in this Quarter of the year, once on 14th Feb 09 by launching E- magazine on our web site idamwsb.org and the second by conducting HANDSON course on class II composite restoration by our own members President Dr. Ajit Kotnis, Past- President Dr. Dharmaji Shinde & CDH convener Dr. Hiren Doshi. It was a great experience where 16 participants took advantage of the course. This is not the end but the beginning of such events.

Thank you,
Dr. Durgesh Aroor
Hon. Secretary.
IDAMWSB.
