

FROM THE PRESIDENT'S DESK

Dear members,

It is a very proud occasion for all of us here at IDA-MWSB to have another feather in our cap-that is the launch of our in-house hands-on –courses-meant for the members, by the members without any frills attached and with a high take home value.

With several “ firsts “ we have to our credit in history of entire IDA at all India level - i.e. having our own lap-top , LCD projector, P.A. system, free CTPs every week, Case of the week (COW) , having e-magazine , and now this in-house hands-on , our branch with its cohesive, hard-working team , has become a role model for others to follow.

This unprecedented level of success is not possible without the co-operation and support of all members who take out their valuable time on a working day to quench their thirst for knowledge in order to excel in their clinical expertise for the benefit of their patients.

I am also happy to announce that the President and the Secretary of our branch have been selected in the working committee for the next IDA-Maharashtra state branch conference to be held in Thane. I appeal to all our members to wholeheartedly support this event and make note-worthy participation in all aspects-like delivering lectures, attending lectures, trade-fair, poster presentations and also in cultural activities.

Thank you.

Dr. Ajit Kotnis
President
IDA-MWSB
