

Message from the President's Desk

Dear colleagues,

I wish you all at outset the very best of all the things in life in the year 2009!

This is my first and the last communiqué as President of IDAMWSB for the year 2008. Normally President has the opportunity to talk to the members during the year only at gatherings and at the end of the term.

It gives me immense pleasure to tell you that the activities during the year surpassed on every front as compared to previous years. The classroom training program has taken wings. The year saw 44 CTPs, a major scientific program by Dr.P.D.Joshi on Endodontics and path breaking community dental camp At Atul, Valsad, especially for detection of ORAL CANCER.

Now let us take a look at Future, which looks very rosy. The new dawn is around the corner. The Association is in the process of starting a full fledged Dental Clinic at Kandivali Police Station, especially for the members of police force and their family. The second clinic will start at Dr. Dhawale hospital. The progress at that front is also satisfactory.

Last time when I had opportunity to communicate with you at Dental Mela I had envisioned a Mobile Dental clinic for our branch. That Dream is yet to be fulfilled. I will pass on the legacy of fulfilling that dream along with the dream of having a library for Association to the able incoming President Dr.Ajit Kotnis.I wish him all the success in his tenure.

Last but not the least, the year felt very short in the company of Dr. Durgesh, Dr.Shailendra,Dr.Hiren, Dr.Puneet, Dr.Amruta, Dr.Vijay, Dr.Suwas, Dr.Kedar

Dr. Ajit Kotnis and many more, who worked tirelessly all thru' the year to make the year a roaring success.

Yours sincerely,
D. D. Shinde.
President, IDAMWSB.
