

FROM THE SECRETARY'S DESK : DR.DURGESH AROOR.

Wishing everyone A Very Happy, Prosperous & Peaceful New year 2009.

It was a great and busy year in IDAMWSB and my sincere thanks to Hon. President Dr.Dharmaji Shinde for his able guidance. The classroom training program is now attended regularly by more than 50 dedicated members every Wednesday at Dr.M.L.Dhawale Hospital Dahisar (E). I thank Dr.Kumar Dhawale Trustee MLD Trust & Dr.Dinesh Rao for their co-operation.

In this year we conducted five Dental Awareness & check-up camps, 2 scientific seminars, 1 workshop in Endodontics , 43 CTP sessions & 2 hands on sessions on Implants for our members. Thanks to our dynamic scientific convenor Dr.Puneet Thirani & CDH convenor Dr.Hiren Doshi for their invaluable support.

In this tenure we started sending SMSes of our branch activities to all the members. We will be starting our E-magazine on our website www.idamwsb.org where our members will have easy access to the magazine. Our Editor Dr.Amruta Wadekar & Dr.Suwas Darvekar have put a lot of efforts to make the magazine a grand success.

In the past year our membership has been increased & we have maximum number of Life members in our branch. We have further plans of starting regular workshops on different subjects in Dentistry at minimal cost for which we have procured five workstations, and also a dental library for our members.

It would be unkind of me at this juncture if I forget to thank Dr.Shailendra Pathak, Dr.Suwas Darvekar, Dr.Vijay Kedar, Dr.Vipul Rawade, Dr.Kedar Bakshi , Dr.Ajit Kotnis & others for helping me to carryout various program's of IDAMWSB . My sincere thanks to our staff Mr.Rohit & Mr.Indresh for their invaluable help.

Last but not the least I appreciate the enthusiasm and support shown by all the members for making this an eventful year.

Your's Truly,

Dr.Durgesh Aroor.
